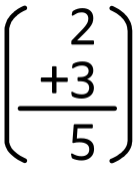
Spring term

This term we will be exploring and learning about:

Books
Over the term we will be looking at books and texts based on the themes of animals and pets, transport and looking at books by the author Eric Carle.

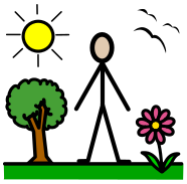


Mathematics
We will be exploring mathematical concepts through hands on experience covering, pattern and time, spatial awareness and shape.

Imaginative
Over the term we will experience a variety of role play and small world play to explore birthday parties, we will be exploring space through sensory activities and we will be focusing on bath and bed time.

Sensory
During sensory play this term will be focusing on wet / gloopy textures, in our heuristic play we will explore metallic objects as well as cups and spoons.

Fine Motor
We will be making marks with different tools, we will be using both hands to perform different tasks while filling and emptying, and making marks in mixed media.



Outdoors
Our themes outdoors will be: Exploring Nature and Creative materials. We will also be exploring our mud kitchen and using our climbing equipment.

Celebrations
We will be celebrating The New year, Valentines day, Shrove Tuesday, Chinese New Year, Mother's Day, World book day and Eid al Fitr

Personal Social and Emotional Development (PSED)
In PSED our focus will be on showing a preference in what we want to do as well as asking and seeking help when needed.

At home
You might like to take pictures of pets to share with us via tapestry or go on a walk to see how many types of transport you can see. You could stay inside to keep nice and warm and role play a teddy bears birthday party.
