

# Spring term 2026

This term we will be exploring and learning about:

## Books

Over the term we will be looking at books and texts based on the themes of animals and pets, transport and looking at books by the author Eric Carle.

## Mathematics

We will be exploring mathematical concepts through hands on experience covering, pattern and time, spatial awareness and shape.

## Imaginative

Over the term we will experience a variety of role play and small world play to explore birthday parties, we will be exploring space through sensory activities and we will be focusing on bath and bed time.

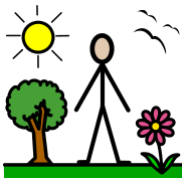

## Sensory

During sensory play this term we will be focusing on wet / gloopy textures, in our heuristic play we will explore metallic objects as well as cups and spoons.

## Fine Motor

We will be making marks with different tools, we will be using both hands to perform different tasks while filling and emptying, and making marks in mixed media.

## Outdoors

While we are outside we will be exploring the weather, we will also be exploring Chinese new year, recycling and making mud pies in the mud kitchen.

## Celebrations

We will be celebrating The new year, valentines day, shrove Tuesday, Chinese New Year, world book day and Eid al Fitr

## Personal Social and Emotional Development (PSED)

In PSED our focus will be on showing a preference in what we want to do as well as asking and seeking help when needed.

## At home

You might like to take pictures of pets to share with us via tapestry or go on a walk to see how many types of transport you can see. You could stay inside to stay nice and warm and play teddy bears birthday party.
