# Autumn term

## This term we will be exploring and learning about:

Books
We will be looking at magazines and comics, favourite characters, nursery rhymes, ourselves and other people and books written by Julia Donaldson and Rod Campbell.

Mathematics
We will be exploring mathematical concepts through hands on experience covering number, pattern and texture, spatial awareness, shape and weight.

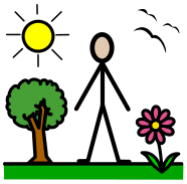

Imaginative
Over the term we will experience a variety of role play and small world play to explore Doctors, farm animals, shoe shop, vehicles, home and dinosaurs.

Sensory
During sensory play this term will be focusing on wet / gloopy textures, dry textures, mouldable materials, colours, all things sparkly and boxes and containers.

Fine Motor
We will be making marks with our hands and feet as well as printing and rolling objects to mark make. We will also be exploring posting, stacking and threading as well as using tweezers, pinching / grasping.

Outdoors
While we are outside we will be exploring both wet and dry sand , building and construction and playing games. We will also be exploring our mud kitchen and climbing equipment.

Celebrations
We will be celebrating Autumn, Sukkot and harvest, festivals of light – Diwali, Bonfire, Remembrance day and Christmas.

Personal Social and Emotional Development (PSED)
In PSED our focus will be on exploring the nursery environment, understanding routines, making choices and playing alongside others.

At home
You might like to count the stairs as you go up or down. Have some fun exploring different textures, wet and dry. Make marks using hands or feet with paint or water. Post a letter to a friend. Have a play tea party or do some cooking together.
