Summer term

This term we will be exploring and learning about:

Books
Over the term we will be looking at books and texts based on the themes of traditional tales, dinosaurs and the natural world and environment.

Mathematics
We will be exploring mathematical concepts through hands on experience covering, length, number and capacity.

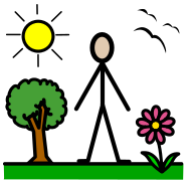

Imaginative
Over the term we will experience a variety of role play and small world play to explore Goldilocks and the 3 bears, an opticians and various Happy Land settings.

Sensory
During sensory play this term will be focusing on dry textures and mouldable textures. In our heuristic play we will explore wooden objects.

Fine Motor
We will be making marks with a variety of writing tools. We we will be using both hands to perform different tasks while completing inset puzzles and jigsaws, and practicing squeezing and using scissors.

Outdoors
Our themes outdoors will be: Water investigations, Gardening and growing and Role play e.g. a camping trip. We will also be exploring our mud kitchen and using our climbing equipment.

Celebrations
We will be celebrating Easter, Father's day, Pride month and International day of friendship.

Personal Social and Emotional Development (PSED)
In PSED our focus will be on preparing for and adapting to changes.

At home
You might like to explore different textures that can be moulded into different shapes such as playdough or food substances like mashed potato. You may want to plant some cress and watch it grow. You could practice squeezing skills through squeezing water from a sponge.
