play.hooray 🧡 Baby Play Monday 🧡

Today I shared this classic I used to setup for baby Mason many many times! Hanging hoops of various sizes onto a mug tree or kitchen roll holder! 👍 A great way to entertain a curious baby or young child and support their hand eye coordination 👍

play.hooray 🟡 Super simple fun! 🟢

This simple activity will keep lots of kids and lots of ages busy! A variety of holes cut into boxes with a collection of different sized items. 🟢 This was a fun one a collection of coloured felt balls and three different sized holes. 🟡 Dig deep in your recycling and see what you can find! And you might just get a sit down with a cuppa!! 🟠

play.hooray 🧡 #tuffspottuesday 🧡

I set this up in the summer and it was a huge success. We're going to revisit it again and play again! A few simple cones/funnels made with card for pouring rice through with scoops. Pretty simple to set up yet really inviting to little explorers! 👍
